

2011 AMKA AGM

Happy New Year Everyone!

It's 2011, and we believe it's going to be a GREAT one for AMKA and Karting! We are hoping that it will be the beginning of positive change, moving forward and an increase in Fun! However, the only way that is going to become a reality is if we get more people involved.

We are presently laying the groundwork that will, hopefully, get people excited about this club! We all need to care! Nothing gets done without member involvement.

AMKA is entering a very pivotal Year, one that could set the path for seasons to come! I want to stress the importance of the upcoming AGM. We need 100% attendance. There are a lot of things you need to be a part of.

Some of the things being dealt with:

-[New AMKA By-Laws](#) (You will get an early copy of the 'proposed' changes shortly, so there will be time to discuss and ask questions before a vote. This document outlines the club's structure and how it is suppose to operate. We are aiming to eliminate the confusion and frustration that Member's have expressed.)

-[Election of Directors/Executive.](#) (The Club is in a very crucial phase. Be sure that you are comfortable with who is making the decisions. This is vital.)

-[Honda to Briggs?](#) (Gerald Casely will be on hand with a Briggs engine. He will explain, from his point of view, where he sees the future going, and why. AMKA Executive members will also discuss what other clubs are thinking on the subject. There will be time for Member questions and discussion.)

-[New Track.](#) (Where are we at? Will it happen? What's the hold up? Can we do it? We will bring you up to speed.)

As you can see, there is a lot to talk about and find out about. Please, please, please be there!

[When: Sunday, January 23rd @ 2:30pm](#)

[Where: Shooter's in Enfield](#)

ARMS is very interested in AMKA's new direction and will have members in attendance, including President Dave Hull, Stewart Wayne Schnare and Regional Karting Director, Emile LeBlanc. If you don't know them, now is your chance.

See you on the 23rd!

Eric
AMKA VP
obo Pat White and AMKA Executive
